# Leave a lasting legacy of hope

*A footprint of  
hope for future  
generations*

“

A gift in YOUR Will won't impact lives today but it WILL empower us to be at the side of future generations following in your footsteps”

## Dear Friend,

Premier has been able to achieve so much more than we could ever have imagined back in 1995, and we could not have done it all without your support. Every donation and every gift in every Will helps us speak to those in need of the love of God.

God has used this ministry in extraordinary ways to speak to a nation that needs to hear the love of God and to know salvation in the name of our Lord Jesus Christ.

I think we can sometimes be limited by our imaginations, but there is no limit with our God, and I know He will continue to use us in amazing ways.

If you are receiving this booklet, you are considering what your lasting legacy might be and I thank you for thinking about what you might be able to do to fuel the work of this ministry long into the future.

All legacy gifts are received into our Inspiration fund from where we make sure they are put to the best possible use to further the work of this ministry. And as I look back over my 25 years at Premier I am astounded by God's grace and by the generosity of ordinary Christian men and women across the UK who have made so much possible.

Over the years Premier has reached out far and wide, and in this digital age we continue to look for new and innovative ways to open doors to God's word for the young, and not so young.

As I look ahead to the next 25 years, I am as excited as ever about what God will do through us. Whether it's through our radio broadcasts, Premier Lifeline, or our apologetics programmes - God's word will find a way. And whatever the shape of media in the future, as technologies change and develop, we will be here!

What you do today, could make a world of difference as together we build God's Kingdom for future generations.

Blessings,

Peter Kerridge

# We will keep equipping people to be confident in their faith...

Premier continues to be a strong Christian voice to the UK and in these times when the Christian voice may seem at risk of being silenced, Premier continues to resource and equip people to be confident Christians through *Premier Unbelievable?* and its growing apologetics strand.

Through the years, over 3.3million *Premier Unbelievable?* podcasts have been downloaded and hundreds of thousands have tuned in to listen on Premier Christian Radio or have attended a Premier Unbelievable? conference.

We could say so much about why we think this work is critical but we think J says it best -

Hello,

*I just wanted to say thank you so much for your work, and for Unbelievable?*

*I found the podcast around 2 months ago. I'm only 18 and was brought up going to church and a Christian school, when I got to secondary school I lost my faith and found it again after an experience I'll never forget. I was feeling so empty one night and overwhelmed I prayed, shouted to God. I felt a tingling on my right side forcing me to look out of the window. It was just a normal street, but one shining star in the sky and I was so happy.*

*Recently I've been going through a time of suicidal thoughts and I was so anxious at the time of my confirmation in May I was doubtful again. I thought I was stupid, then I found your channel and it helped me so much to answer the questions my anxiety presented. It reminds me that I'm on a journey.*

***I can't wait to learn more from your discussions keep up the great work. I'm being looked after by lots of people and I know God wants me to use this precious life!***

“

What you do today could change the life of someone you don't even know at just the moment in time when they need it...”

Perhaps it will be someone to listen and pray in a time of need, perhaps it will be the confidence to speak about Jesus when it feels like the world isn't listening, perhaps it will be a word from God through the airwaves... God knows all these future stories and you can be part of them.

## We'll keep on listening and praying...

We all face times of trial or crisis and *Premier Lifeline* continues to receive an increasing number of calls about everything from addictions, breakdown of relationships, mental health issues and loneliness. Every day of the year

between 9am and midnight, those in need of a listening ear or prayer can phone *Premier Lifeline*.

*Premier Lifeline* relies on over 120 wonderful volunteers who are truly committed to helping those in urgent need of support.

All Premier 'Lifeliners' graduate from an extensive training programme to ensure they are fully equipped for the calls they will receive.

Demands on Premier Lifeline are growing and we yearn to be there for everyone. We need more funds to recruit and train the best 'Lifeliners' - your gift can make this happen for future generations.

## The only decision is what gift you would like to give us?

Do you have a family? If so, then they could inherit 99% and you could leave 1% to Premier. Of course if you feel you can give more you can! Ask your professional adviser to make sure your wishes for all your inheritors come true.

If you are worried about the cost of a Will – or you find the whole task daunting – then contact us. [legacy@premier.org.uk](mailto:legacy@premier.org.uk) or speak to Claire on **0300 777 1221**

We can direct you to a trustworthy company called Bequeathed, who use solicitors, and you can even make your Will online in the comfort of your home. Details of our free Will writing service in Partnership with Bequeathed can be found at [www.premier.org.uk](http://www.premier.org.uk).

It's simple to use and they will even store your completed Will for free.

In addition to this they can offer you a free \*telephone Will service, where the in-house legal team will take your instructions over the phone or via video conference.

To use these free Will services there is no obligation to include a gift in your Will to Premier but of course we would love it if you did! You would be enabling so much for the future.

**\*please note you will need to supply a working email address in order to access this service**

## We will keep reaching out with the love of God....

Our 3 sister stations Premier Christian Radio, Premier Praise and Premier Gospel have the power to speak God's truth into people's lives 24/7 in their homes, or on the move through a range of electronic devices.

A voice of hope into homes, prisons, cars, mobile phones and smart speakers, radio broadcasts can find people in the hardest to reach places, and the many thousands of testimonies we have received over the years from Premier listeners about what the broadcasts have contributed to their journey of faith speak for themselves.
